## Welcome

The development of RAMCO<sup>®</sup> Safety Shields began in 1958 with the manufacture of cost-effective metal shields for a chemical company. Over time, safety shields in many materials for specific applications evolved, and now, RAMCO<sup>®</sup> Manufacturing Co., Inc. is the leading manufacturer of piping and valve shields worldwide.

RAMCO<sup>®</sup> maintains rigorous adherence to high quality standards and is certified as an ISO 9001:2000 manufacturer.
